

Cocktails for a

CURE

Kimpton Hotels & Restaurants Fight HIV

We have always been passionate in the fight against HIV from coast to coast. For over 20 years, our hotels and restaurants have assisted HIV service organizations through employee volunteerism, HIV educational campaigns, corporate donations and raising funds through special events. In 2008, our Red Ribbon campaign raised over \$90,000 for local HIV charities. This year, we hope to raise more.

Raise a toast to a cure.
