KIMPTON'S WOMEN INTOUCH OFFERS NEW SERVICES AND AMENITIES *Road Warriors Can Pack Less, Travel Smart, and Stay Stylish*

SAN FRANCISCO, Calif., May 15, 2008 – Kimpton Hotels & Restaurants introduces new services and amenities that bring added ease, convenience and style for the road. Created with women in mind, travelers can effortlessly transition from home to hotel with added “Forgot It? We’ve Got It!” travel essentials; a Quick Concierge guide; and exclusive Karen Neuburger-designed pajamas, all part of Women InTouch, Kimpton’s commitment to women travelers.

“As a road warrior, I always appreciate hotels that take the time to plan for a woman’s specific travel needs. Women are discerning travelers who pay attention to the details, and our new services and amenities were created to help make life on the road a little easier,” said Niki Leondakis, chief operating officer, Kimpton Hotels & Restaurants. “At Kimpton, we try to anticipate our guests’ needs to create ease in packing, a stress-free arrival and a comfortable stay.”

New services and amenities offered at all Kimpton hotels include:

- **Pack Less with “Forgot It? We’ve Got It!”** – Helping guests to lighten their load, Kimpton introduces new complimentary and low cost travel essentials to its popular “Forgot It? We’ve Got It!” amenities. The newly revamped menu features everyday products such as contact lens solution and beauty products; handy helpers like fashion

tape (to keep that blouse in place) and stain removing wipes; and the convenience of bulky beauty appliances like straightening and curling irons you can leave at home.

- **Travel Savvy with Quick Concierge** – At each Kimpton hotel, guests can get their bearings with a newly created “cheat sheet” to the city. This go-to guide gives guests the neighborhood scoop, including recommendations for the best spot for solo or late night dining, the most stylish blowout near the hotel, and where to find the city’s best chocolate for the plane ride home.
- **Stay Stylish with New Pajamas** – Already stocked with plush animal print robes and cozy slipper socks, the newest addition to the Kimpton closet is a stylish leopard print camisole and boxer set designed by comfort queen Karen Neuburger, available for \$30 for the camisole and \$30 for the boxers.

ABOUT KIMPTON

San Francisco-based Kimpton Hotels & Restaurants is the first and leading collection of boutique hotels throughout the United States and Canada. Founded by Bill Kimpton in 1981, privately held Kimpton Hotels offers services and design elements focused on care, comfort, style, flavor and fun. Every Kimpton hotel reflects the energy, personality and pulse of its location, history and architectural style. Each property features personalized guest services, comforting in-room amenities, specialty rooms and suites, and provides a range of exciting culinary experiences through affiliated top-rated destination chef-driven restaurants. Kimpton takes pride in its commitment to social responsibility and leads the hospitality industry in ecological practices through its innovative EarthCare programs. In addition, Kimpton demonstrates a unique dedication to its female guests with the Women InTouch program, offering comfortable and safe environments, in-room fitness and wellness options as well as the company’s unique "Forgot It, We’ve Got It" honor bar, providing essentials that women travelers may have forgotten at home. Among the company’s newest properties are the Hotel Palomar Arlington at Waterview, which opened in November 2007. Additional projects are underway in Los Angeles, New York, Florida, Philadelphia and Virginia. For more information, please visit www.KimptonHotels.com or call 1-800-KIMPTON.
